

Announcement on
Integrity and Transparency Intention of
Chitralada Technology Institute

.....

Chitralada Technology Institute is an autonomous institution under government supervision. Historically, His Majesty King Bhumibol Adulyadej The Great and Her Majesty Queen Sirikit The Queen Mother benevolently established Chitralada School. Thereafter, Her Royal Highness Princess Maha Chakri Sirindhorn graciously initiated the institute to pursue Their Majesties' policy in technology education up to to the bachelor's degree level. The institute was established as an educational institution under Chitralada Technology Institute Act, B.E. 2561 (2018). Thereby the institute recognizes the importance of good governance adhering to honesty, transparency, and justice, as well as prevention and suppression of corruption under the government policy, which has been designated as the National Strategy for the Prevention and Suppression of Corruption, Phase 3 2017 – 2021, along with Chitralada Technology Institute Act, B.E. 2561 (2018). The institute aims at encouraging students to have good citizenship, diligence, volunteerism and self-discipline.

Therefore, in recognition of transparency and its accountability to the state and the society, the institute issues this announcement of intention in its adherence to administration based on integrity and transparency. This announcement of intention is aimed at providing the institute's personnel and students with the following guidelines:

1. The institute adheres to the royal policies of His Majesty King Bhumibol Adulyadej The Great, Her Majesty Queen Sirikit the Queen Mother, His Majesty King Maha Vajiralongkorn Phra Vajiraklaochaoyuhua, and Her Royal Highness Princess Maha Chakri Sirindhorn, for the values of honesty, integrity and justice, putting the interests of the general public and the nation before personal interests.

2. The institute is administered with transparency based on the principle of good governance, transparency, accountability, and responsibility. The institute prohibits abuse of power for undue benefits and encourages its personnel to adhere to the moral principles, integrity and personal and professional ethics.

3. The institute maintains clear, accurate and transparent standards of administration in human resource management, budget allocation, work assignment and working environment management.

4. The institute communicates with its personnel as well as students to ensure common understanding of operational policies and to promote awareness of the importance of administration with integrity and transparency.

Announced accordingly on the 22nd day of April 2020.

Assoc. Prof. Khunying Sumonta Promboon, Ph.D.
President of Chitralada Technology Institute
